Details:

- This course is 40 hours or 5 days in length. First two days are classroom with the last 3 days practical hands on training.
- The 3 days of practical will start at 7:30am at the assigned facility.

- Students must bring company vehicle they normally drive or a similar company vehicle.
- Vehicles must be free of mud and muck and all loose articles secured or removed.
- Please be punctual. The day is full and there is little room to deviate from the schedule. Late arrivals cannot be accommodated.
- Please bring clothing suitable for the weather conditions and footwear which the student would normally wear on the job. No flip-flops or sandals without backstraps allowed.
- Bring fluid to drink.
- Students must be licensed for the class of vehicle they will be operating. Please bring your drivers licence to class.
- Students will be responsible for their lunch. Either bring a lunch or be prepared to purchase your meal locally.
- Please abstain from consumption of alcohol the night prior to the course. If, in the opinion of any CTEC instructor, any student demonstrates severe fatigue or use of alcohol or prohibited substances, they will not be permitted to participate in CTEC training. Corporate students will have their supervisor or management of their local office informed immediately. CTEC instructors will follow the direction of the students supervisor or management of their local office and if so directed, will refuse the students use of the company vehicle until the arrival of a company representative.

Thank you for choosing CTEC
